732-968-4585

Randi will use her 20 years experience helping others - to help you follow a better lifestyle.
She could help you focus on your health - by taking easy steps to improve how you feel.

With the help of local sponsors, the event is free. First come, first served.

To attend, you must register at the Library - for each person in your group - with a \$2.00 deposit and contact information for each attendee. The deposit will be refunded when you arrive or if you cancel by July 23.
