

ORDINANCE 2016-19  
BOROUGH OF DUNELLEN

Dunellen Municipal Code, Chapter 230-2, User Classes is amended to read as follows:

Chapter 230-2.      User classes.

User classes shall be as follows:

- A.    Tax exempt: includes institutions which pay no ad valorem taxes or receive substantial credits in paying such taxes, except publicly owned facilities performing local government functions which discharge solely domestic wastes.
- B.    Industrial and commercial: includes all non-residential users, multi-family residences with five or more units served by a single connection, and mixed residential/commercial properties that are served by a single connection.
- C.    Residential—single-family: includes all single family dwellings.
- D.    Residential—multi-family: includes all dwellings with two, three or four residential units tied into a single house connection.

AND

Dunellen Municipal Code, Chapter 233-37, Sewer Rates is amended to read as follows:

Section 233-37. Sewer rates.

The sanitary sewer rates shall be as follows:

- A.    Owners of single family residential properties connected to the Borough sanitary sewer system shall pay a flat annual rate in the amount of \$350.00 to be paid in equal installments semi-annually to the Dunellen Borough Sanitary Sewer Utility on the first day of April and September, following each period for which sewer service has been provided.
- B.    Owners of multi-family residential properties (properties with two, three or four residential units) connected to the Borough sanitary sewer system shall pay a flat annual rate for each residential unit in the amount of \$210.00 to be paid in equal installments semi-annually to the Dunellen Borough Sanitary Sewer Utility on the first day of April and September, following each period for which sewer service has been provided.
- C.    Owners of non-residential properties, including residential properties with five or more units and mixed residential/commercial properties connected to the Borough sanitary sewer system, shall pay for sewer service based upon the amount of water supplied to the property as determined by meter readings of the first and fourth quarter of the previous year, using these quarters as the basis for calculating the non-residential properties' current year annual sewer charge, payable semi-annually. Where water usage cannot be determined by meter reading, the

Sewer Utility fee shall be based on the property's estimated water usage, which estimate shall be calculated using best engineering practices for the property in question. The sewer rate for non-residential properties shall be \$4.25 per 1,000 gallons of water used at the property, whether determined by meter or estimate. Sewer user fees are to be paid to the Dunellen Borough Sanitary Sewer Utility on the first day of April and September, following each period for which sewer service has been provided.

D. There shall be an annual sewer Administrative/Facility charge for all non-residential improved properties, residential properties with five or more units, and mixed residential/commercial properties, of \$100.00 per unit in addition to the above rates described in Subsection C above. This charge is payable semi-annually in the amount of \$50.00 and is to be paid in concert with the sewer service charges.

E. Any single family residential property that qualifies for the senior citizen tax deduction shall also be afforded a discount of \$100.00 from the residential property fee set forth in Subsection A above.

F. The foregoing rates and charges have been calculated in accordance with Chapter 230-7 and shall be subject to annual revision based upon the Borough and its Sewer Utility's financial obligation to PARSA and/or MCUA. In addition, separate fees or charges may be imposed by the Borough's Sewer Utility upon specific users or one or more categories of users to defray fines, penalties or other extraordinary charges that may be imposed by PARSA and/or MCUA. Payment of such separate fees or charges shall in accordance with the requirements set forth in Chapter 233-36. The Borough Sewer Utility may also in its sole discretion and upon application of a user demonstrating special circumstances adjust a user's sewer use charges.
